NATIONAL CERTIFIED STUDENT LEADER

Certified Student Leader program is a rigorous and challenging national skill and knowledge-based recognition program created by the NASC to identify outstanding individual student council leaders in high schools. Students earning the CSL designation will have demonstrated their personal leadership abilities and met the skills and criteria established by NASC. Unlike scholarships or recognitions that have limited numbers of winners, all student council leadership in NASC schools who successfully meet the criteria will be recognized.

This new program, just introduced by NASC is now available on the NASC website. The program guidelines for both the student and advisor can be downloaded. The process and subsequent recognition is an ideal way for student leaders to earn certification which could be placed on resumes and college applications.

Please go to: www.nasc.us for additional information or contact the National office with questions.

SPECIAL OLYMPICS—OUR STATE CHARITY

Special Olympics has long been our Charity of Choice. MASC donated nearly \$45,000 and logged over 10,000 volunteer man hours in 2008. We must continue to do our part and help this vital organization. Special Olympics will be highlighted at our State Convention this year. Your students will be moved by the presenters and learn how important their role is in its success. Special Olympics has appointed a liaison for our organization who can be contacted for additional information.

NATIONAL STUDENT COUNCIL CONVENTION June 26-29 2010

One of the highlights of the summer for many student council leaders is the annual National Convention. This year the 4 day event will be held **Center Grove HS, Indianapolis, IN.**

Missouri has a large delegations in and we are making plans for delegates to have a great experience this summer.

The cost for the actual convention this year will be **\$415 per student and adult.** Each individual is responsible for their own transportation. However, we do try to travel in two groups, one from KC and one from STL.

\$100 DEPOSIT (per person) IS DUE BY Feb 8 (this holds your spot), with remainder due by March 15.

All delegates must register with the state delegation—each state is allowed a minimum number of spots—no outside registration is allowed.

Each Missouri School is **LIMITED** to **THREE** delegates—this includes the advisor!

Terri has applications for discussion

groups—call her for information—postmark deadline to have application to NASC, February 6 or THEY CAN BE FOUND ON THE NASC WEBSITE.

All students are expected to travel with their advisors to the National Convention. **ALL** delegates will be housed in hotels. The convention host will provide transportation to all events. **Terri has a block of rooms ready for the Missouri Delegation—you will not need to call the hotels to make room reservations!**

This convention will be an outstanding opportunity for students and advisors to learn and grow as a leaders. Special highlights include enlightening speakers and workshops, a service learning project and many area attractions.

Remember, if you plan to attend the National Convention, you must register through MASC. This is a wonderful conference and lots of fun!

While we are at the convention each state delegation wears special state shirts to distinguish their group. **AND** we trade items throughout the convention with other delegates. This of course, includes our Missouri Duck. Our trading items have included, pins, necklaces, magic wands, hats, key-chains, and shirts. The trading package is \$75 per person and is payable upon arriving at the convention. This makes the convention tons of fun and is a great ice-breaker for everyone to meet and get to know each other.

CONVENTION COSTS INCLUDE:

Registration—\$425

Trading package—\$75

Airfare—We will attempt to get a group rate for each side of the state.

Hotel —\$149 (plus tax) per night Which can be split with others. I have reserved a block for Missouri.
