

Dear Gateway Student Council Members,

Hi! I'm Rosie Paasch, the president of Buerkle's Student Council. This year we are in charge of Middle School workshops at Gateway. On behalf of our organization, we are so excited to hear everyone's ideas, and we would love your help and support to make Gateway amazing. If you are interested in leading a workshop, please contact one of my advisors as soon as possible so we can make arrangements in advance! Thanks!

Cathy Helfrich: helfrichc@mehlville.k12.mo.us

School number: (314) 467-6940

If you are interested in leading, here is some basic info:

- At gateway this year, there are 3 sessions of workshops.
 - Workshop #1- You don't have to worry about this. Buerkle's STUCO is leading games. At the end, we will break into small groups for the next workshop.
 - Workshop #2- Your STUCO will present their workshop. It should be something that you do well. (see below for possible ideas) Be prepared for it to last 20-30 minutes. Have about 30-40 handouts (extras are for advisors) Doing this counts toward the Honor Council Award. If you need anything for IT, let us know by 10/30.
 - Workshop #3- We will stay in the same room for a round table discussion. Your Stuco members (Buerkle will help/do if you want) will lead in a discussion with people in the class about school spirit ideas, fundraising, community service, & other STUCO ideas. The point of this one is to get everyone sharing & getting LOTS of ideas. We will have a handout for it.

- Possible Workshop Topics: -- be creative, what are U good at?? ☺
 - Fall fest
 - Special Olympics Activities
 - Pep rallies
 - Senior Citizen's Prom
 - Field Days
 - Dances
 - Service Learning
 - Talent shows
 - Food drives

Thank you so much everyone please get back to me as soon as possible!

-Rosie Paasch from Buerkle Middle Student Council
