WEBSTER GROVES

HIGH SCHOOL

Dear Gateway District Student Councils,

The Webster Groves High School Student Council is in full frenzy preparing for this year's Gateway Convention to be held November 7th, 2009. Our theme is all about living "happily ever after" and we have asked professional speaker John O'Leary to join us to speak to us about "Rising Above". He is sure to entertain and inspire us all.

We have assembled this packet for you to help in preparation for the convention. Please read through the entire packet and take note that **OCTOBER 1st** is the deadline for all of these forms.

Here's a little check list to help you out:

- _____ Application for Membership & Invoice for the Gateway District
- _____ Registration Form/Invoice for the Gateway Convention
- _____ Declaration of Candidacy
- _____ T-shirt Order Form/Invoice (blue sheet)
- _____ Contact VP School Lindbergh H.S. to help in leading a workshop (yellow sheet)

You should mail all of the forms with your checks made payable to the Gateway District.

We hope this helps you in your preparation to attend the conference. You are welcome and encouraged to bring as many students as you can to attend this year's convention.

Feel free to contact us through our advisor Jenni Wilson at 314-918-4089 or wilson.jenni@wgmail.org .

See you soon!
