

Hello All! Dexter High School Student Council is excited to be the Southeast District Vice-President. This year we have changed the way the discussion groups are going to be facilitated. We will be having an idea exchange booklet and large group discussion groups. We ask that schools volunteer to provide at least two facilitators to create a 15 minute presentation to present during the convention. We will have three 15 minute discussion groups at the conference. On the following page is a list of discussion group ideas that Dexter has come up with. If you could number your top three choices your school would like to facilitate we can then assign schools to a topic. If your school completed a successful project and would like to do a presentation on it please write that on the form and we will try to incorporate your idea into the program.

In addition to the three discussion groups, we will have an idea exchange booklet. Please e-mail your best ideas on any of the topics listed to jmiller@dexter.k12.mo.us no later than October 15, 2009. Please use the format attached for your idea exchange. We need all schools to participate in this exchange. Both the idea exchange and discussion group presentations will qualify as an activity toward earning Honor Council.

Thanks for your help with the discussion groups and ideas exchange.

See you at the convention!!
