

2012 SOMO Spread the Word Kit Application

Project UNIFY® is a national project, funded by the U.S. Department of Education. Its goal is to activate youth around the country in an effort to develop school communities where all young people are agents of change - fostering respect, dignity and advocacy for people with intellectual disabilities by utilizing the programs and initiatives of Special Olympics.

One of the initiatives of Project UNIFY is the Spread the Word to End the Word campaign (STW). Special Olympics Missouri is asking elementary, middle/junior high, high schools and colleges across the Show Me State to activate their school communities on **Friday, March 30, 2012** to take the pledge to end the R-Word.

Applications for STW Day kits are now being taken. If your school is interested in holding a STW Day activity, please fill out the information below. **Supplies will be provided to the first 75 schools to return the application. The application deadline is February 15, 2012.**
