Winter Energizer is hosted annually by MASC in January. The weekend event is for HIGH SCHOOL students who attended Summer Leadership Workshop - FULTON during the summer. It is limited to the first 100 students who apply to attend.

Winter Energizer is a different setting. It is much smaller. We will have many large group activities and small group activities. There are no councils, you will get to know everyone. You will get an opportunity this weekend to know and work with other students who have experienced Fulton. It does not matter what council you were a member of last summer. Winter Energizer provides you with the MAGIC of Fulton and closeness you felt when you left on Friday. It is a guaranteed cure for "Senioritis"! The staff consists of several of the summer workshop staff. Many new activities are piloted at Winter Energizer that we will do at Fulton 2012. We rely on your input for the success of the MASC Summer Leadership program. It is an opportunity you don't want to miss. It will rejuvenate you to go back to your school and make positive changes.

The Rickman Center is located in Jefferson City. It is a church camp setting with heated cabins, a bath house, large conference center, dining hall and incredible view.

Check your dates - no refunds! Purchase orders are not accepted, payment must be sent with the registration form, which can be downloaded from the MASC website.

## *The MAGIC is Alive at Energizer!*

Winter Energizer is a chance to re-connect with the friends you made at Fulton. We incorporate lots of opportunities for you to share, talk, learn and grow as a student council leader. Every year we focus on team-building and communication skills. The schedule is jammed packed. We build special times in the schedule to share ideas, get you motivated, bring back new ideas to your school for second semester and finish semester 2 on a positive note.

### *Energizer Staff*

The staff of Winter Energizer will be filled with the familiar faces you saw at Fulton. Marty Powers, Karen Dawson, Karen Haak, Ann Bolzenius, Chad Rizner, Kelsey Zarkoski, Mark Blakley, Jacob Conklin, Tiffany Stringer and Terri Johnson. Our staff is dedicated to making this weekend as special as your week was at Fulton.

### *What else do you need to know?*

Once you register for Winter Energizer, a letter with directions and all the supplies you will need to bring will be mailed to your home right after January 1. You will need to bring bedding, towels, personal items, clothing and the paperwork mailed to your home - medical/participation forms. When you arrive, an Energizer t-shirt is included in your registration, as well as all the meals and snacks!

**Registration begins Saturday, Jan. 14, at 12:30 pm** - so eat lunch before you arrive and get ready to relive the MAGIC OF FULTON! The weekend is a full schedule and tons of fun - don't miss the chance to attend. Space is limited!
