

GREATEST SHOW ON EARTH SCHOOL PENNANTS

MASC State Convention

Each school is asked to create a Circus Pennant with their school name and school mascot on it. Feel free to be creative and make yours unique!

2012

All pennants must be made of PAPER, 12 inches wide, 24 inches long. Use paint, crayons, scrapbook paper, decals, stickers, markers, construction paper - anything to make yours special and stand out!

Bring it to the Convention and turn it in at the registration table upon your arrival. These pennants will be used to decorate the BIG TOP we are creating in our school gym.
