

HIGH SCHOOL WORKSHOP PRESENTORS

McDonald County High School holds the position of First Vice-President for the Missouri Association of Student Councils. Having the duties of this office, we are in charge of organizing discussion groups. We have several recommendations for discussion groups for the 2012 MASC State Convention. There are several discussion groups that can be used for both high school and middle school levels. Workshops will last 20 minutes and you would do the presentation 3 times. If you would lead a discussion group, we ask that you get back to us by February 24.
