## Important Considerations for Election

1. Schools who hold office for Missouri Association of Student Councils agree to represent the Association with the highest integrity.
2. Schools must agree to attend planning sessions for the convention. These meetings may be held during the school week or over a weekend. Typically planning meetings are held in the fall.
3. Schools must agree to travel to the convention at least one day prior to opening ceremonies to assist with preparation and dress rehearsal.
4. The president school must agree to dismiss school on Friday the week of the convention.
5. The gymnasium at the President School must be available to the Technology company beginning on Tuesday morning and throughout the duration of the convention.
6. The President school will be allowed one complimentary registration to Leadership Camp held in the summer.
7. Officer schools should plan to send representatives to the MASC Summer Leadership Camp.
8. Schools will provide a written report to Ex Director upon the completion of their term.
9. Each school will be given 4 ballots, regardless of the number of delegates registered for the convention. Ballots will be issued to advisors during the Advisor luncheon.
10. Ballots will be counted and results reported during the last general session on Saturday morning.

## PROCEDURES FOR ELECTION

1. Obtain written permission from your school administrator. Letters must include a clear understanding of the above mentioned considerations.
2. Submit written script, and text of songs to Ex Dir. by March 1.
3. Attend the Election Meeting on Thursday, March 18 at 4:30 pm.
4. Follow the rules/regulations as provided by the MASC office and President School.
5. Campaigns shall be positive and tasteful.
6. Emphasis of skits shall be placed on the qualities of the school and its ability to hold the office.

# CANDIDATE SKIT GUIDELINES

Consultant Jeff City HS if you have questions regarding the technology, types of programs and equipment. It is your responsibility to make sure your technology is compatible.

*Skits and Campaign Booths should be of the highest quality and caliber.*

After much discussion regarding officer skits, a decision was made by the Executive Board to allow all candidate schools to present a skit **USING TECHNOLOGY**. This means your school may videotape your presentation at home, convert to a DVD format or use powerpoint technology to make a presentation. **ONLY CANDIDATES FOR PRESIDENT MAY USE LIVE PRESENTATION** if they so choose. President schools may opt to combine live presentation with technology (while staying within the time limits).

In the past few years, the skits have be-

come nothing more than a “dance exhibition”. Often times the actual presentation says very little about the school, its qualities or ability to hold the office. I have actually seen skits that did not even mention the office being campaigned for, the school’s name or why the school should be elected.

Please remember that while dances are fine, they should NOT be the sole presentation. All schools running for office are asked to address in their skit:

**\*\*The name of the school and the mascot**

**\*\*The location of the school**

**\*\*The qualities which make the school a good candidate for office**

**\*\*It may be beneficial to tell about a project(s) or activities you have accomplished during the past school year**

**\*\*What your school could offer the Association or other member schools by being an officer.**

While it is important to have fun and entertain the audience, it is even more important to have a **QUALITY** presentation. It should address the true reason why you are running for office and why your school should be elected.

*Skits/presentations will be THURSDAY evening opening session.*

Skit scripts and music lyrics must be postmarked to Terri by March 1.

## NOMINATION PROCEDURES

Each candidate school will be nominated from the podium by the Elections Chair of

the president school. The names of the schools running for office will ap-

pear on the technology screen and ballot in the order they commit to running for office.

# DISTRIBUTION OF HANDOUTS and SKITS

Distribution of campaign handouts (gum, candy, pencils, flyers, etc) shall be done from the campaign booth or as the delegates are leaving the general session rather than as they are entering the general assemblies. Distribution can be made Thursday evening and Friday morning.

**NOISEMAKERS MAY NOT BE USED AT ANY TIME.**

No stickers allowed

Absolutely **NO** campaigning, either verbally or by way of handout, during general sessions or workshops.

Only appropriate trinkets allowed.

Campaign presentations, signs and materials are to be in good taste and consist of information about the school which qualifies it for office.

All presentations shall be "G" rated. Any reference to sex, drugs, alcohol, off-color remarks or actions will result in disqualification of the school.

There is to be no throwing, distributing, or passing out of items during the cam-

paigned presentation.

No candidate school may use in their presentation any substance that creates a mess. Such substances would include shaving cream, water, whipped cream, silly string, silly putty, etc. Candidates shall not use confetti or shredded paper.

Candidate schools are responsible for cleaning the stage area after the presentation.

## PRESENTATION TIME LIMITS

### PRESIDENT CANDIDATES:

Presentations are to last no longer than 4 (four) minutes per school.

### OTHER OFFICES:

Presentations are to last no longer than 3(three) minutes per school.

The time limit will be adhered to very closely. The school will be asked to stop at the end of the time limit.

### TIME MONITOR:

There will be a designated time monitor whose job it will be to ensure that time limits are hon-

ored. This person will signal with a card when there is 1 (one) minute left in the presentation time. At the time limit, the monitor will again signal and microphones will be turned off.

## CAMPAIGN PARTICIPANTS

Candidate schools may use only the registered delegates from their school in campaign speeches, skits, or booths. The candidate school may request the assistance of other delegates from other schools in their

campaign to hand out trinkets. Candidate schools running for **PRESIDENT** may bring **8 students** to the convention. **OTHER OFFICES** may bring **4 students** to the convention.

If a candidate school is running a workshop or discussion group they may **NOT** campaign in any way during the workshop time, including distribution of campaign materials, wearing of campaign clothing such as a shirt, hat or items of clothing. **NO CAMPAIGNING IS PERMITTED DURING WORKSHOP TIME!** This may lead to disqualification.

## CANDIDATE BOOTHS

*All office candidates will be required to have a Campaign Booth or Table. This is your campaign HEADQUARTERS. Your school should bring hand-outs for any interested delegates, discussing the service and leadership YOUR council has been involved in during recent years. Be creative, pictures are encouraged! You can create a display board or backdrop for your booth. Only President Schools will be allowed the use of TV's and technology.*

*Candidates should discuss any experience or constructive leadership activities your council has participated in during the past year. Candidates should also state qualification or how you have prepared to hold office. This is the candidates' time to showcase your council and why you are a great candidate.*

***TRINKETS AND OTHER CAMPAIGNING MATERIAL WILL BE ALLOWED TO BE DISTRIBUTED AT CANDIDATE TABLES.***
