YOU'VE LOST THAT LOVIN' FEELING

You never close your eyes anymore when I kiss your lips.
And there's no tenderness like before in your fingertips.
You're trying hard not to show it, (baby).
But baby, baby I know it...

You've lost that lovin' feeling,
Whoa, that lovin' feeling,
You've lost that lovin' feeling,
Now it's gone...gone...gone...wooooooh.

Now there's no welcome look in your eyes when I reach for you.
And now your're starting to criticize little things I do.
It makes me just feel like crying, (baby).
'Cause baby, something in you is dying.

You lost that lovin' feeling,
Whoa, that lovin' feeling,
You've lost that lovin' feeling,
Now it's gone...gone...gone...woooooah

Baby, baby, I get down on my knees for you.
If you would only love me like you used to do, yeah.
We had a love...a love...a love you don't find everyday.
So don't...don't...don't...don't let it slip away.

Baby (baby), baby (baby),
I beg of you please...please,
I need your love (I need your love), I need your love (I need your love),
So bring it on back (So bring it on back), Bring it on back (so bring it on back).

ALL THE THINGS WE USED TO DO

Every night I sit here by my window, window
Staring at the lonely avenue, avenue
Watchin' lovers holdin' hands and laughin', laughin'
Thinkin' 'bout the things we used to do, used to do.

Thinkin' 'bout things...like a walk in the park.
Things...like a kiss in the dark.
Things...like a sailboat ride.
Yeah, yeah, what about the night we cried?
Things...like a lover's vow.
Things...like we don't do now.
Thinkin' 'bout the things we used to do, used to do.

Now memories are all we have to cling to, cling to,
And heartaches are the friends I'm talkin' to, talkin' to.
I'm not thinkin' 'bout just how much I love you, love you.
Just thinkin' 'bout the things we used to do, used to do.

Thinkin' 'bout things...like a walk in the park.
Things...like a kiss in the dark.
Things...like a sailboat ride.
Yeah, yeah, what about the night we cried?
Things...like a lover's vow.
Things...like we don't do now.
Thinkin' 'bout the things we used to do, used to do.

Well, I still sit here, the jukebox softly playing, playing.
And the scenes I see each day belong to you, belong to you.
There's not a single sound.
There no one else around.
It's just me thinkin' 'bout the things we used to do, used to do.

Thinkin' 'bout things...like a walk in the park.
Things...like a kiss in the dark.
Things...like a sailboat ride.
Yeah, yeah, what about the night we cried?
Things...like a lover's vow.
Things...like we don't do now.
Thinkin' 'bout the things we used to do, used to do.

STAND BY ME

When the night has come
And the land is dark
And the moon is the only light I see.

No I won't be afraid, No I...
I won't be afraid
Just as long as you stand by me
Stand by me.

Darling, darling stand by me
Oh now stand by me
Stand by me, stand by me

If the sky that we look upon
Should tumble and fall
And the mountains should crumble to the see
I won't cry, I won't cry. No I...
I won't shed a tear.
Just as long as you stand by me
Stand by me

Darling, darling stand by me
Oh now stand by me
Stand by me, stand by me

When ever you're in trouble
Won't you stand by me.
Oh now stand by me oh stand
Stand by me stand by me

Darling, darling stand by me
Oh now stand by me
Stand by me, stand by me

AMERICA, AMERICA

America, America
Shall we tell you how we fell.
You have given us your spirit
We love you so.

Love, love, love, love
Love is the gospel of the world.
Love thy neighbor as thy brother
Love, Love, Love.

Peace, Peace, Peace, Peace
War may come and war may cease.
We must learn to live together.
Peace, Peace, Peace.

LEAN ON ME

Sometime in our lives,
we all have pain
We all have sorrow
But if we are wise
we know that there's always
tomorrow.

Lean on me,
When you're not strong
And I'll be your friend,
I'll help you carry on.
For it won't be long
'Till I'm gonna need
Somebody to lean on.

Please swallow your pride,
If I have things
You need to borrow,
For no one can fill
Those of your needs
That you won't let show.

Just call on me, brother
When you need a hand.
We all need somebody to lean on.
I just might have a problem
That you'll understand,
We all need somebody to lean on.

Lean on me,
When you're not strong
And I'll be your friend,
I'll help you carry on.
For it won't be long
'Till I'm gonna need
Somebody to lean on.

Just call on me, brother
When you need a hand.
We all need somebody to lean on.
I just might have a problem
That you'll understand,
We all need somebody to lean on.
